A. L. Riker Wins the Fifty-Mile Event on Long Island.

A Test of Speed Between the Various Types of Mechanically Propell Vehicles-An Electric Machine Ensily Outdistances the Gasoline and Steam Motors-Time, 2 h, 31, m.

NEW YORK, April 14 .- A. L. Riker today won the fifty-mile race on the Merrick Road on Long Island, held by the Automobile Club of America. His time for the fifty miles, from Springfield to Babylon and return, was 2 hours 2 1-2 minutes. He

finished at 12:27 1-2 o'clock. Mr. Taugerman covered the same distance in 1 hour and 58 minutes, finishing at 12:22, but he rode a tricycle and was not in the race.

Only nine of the fifteen "autes" entered took part in the race. Whitney Lyon acted as starter and V. Everit Macy held the watch. The automobiles were started under thirty seconds' headway, the first man out being A. L. Riker in a specially built electric wegon, which was towed to the starting point to save his power for the race. This wagon has double batteries and is very fast and Mr. Riker was picked
